HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No. 6008 of 2002

O R D E R:

This writ petition is filed challenging the action of the first respondent in awarding the contract for maintenance of Srikalahasti sub-station in favour of the third respondent. The petitioner states that though he is the lowest bidder for the said contract, it was awarded to the third respondent.

The third respondent filed a counter affidavit, stating that though the petitioner emerged as the lowest tenderer, on verification, it was found that his performance in execution of the contracts awarded to him on earlier occasion was not satisfactory. It was pointed out that the petitioner did not pay the wages as per the specifications.

Heard the learned counsel for the petitioner and the learned Standing Counsel for the respondents.

The tender, in question, was for operation and maintenance of a sub-station for a limited period. The period of contract itself had expired. Hence, nothing remains to be decided in this writ petition.

The writ petition is, accordingly, dismissed. There shall be no order as to costs.
